

The Gnomes in Nature Hunt Starts April 1, 2023!

- * Find 3 Gnomes hiding in 3 natural park areas each month.
- * Take a photo of you, your dog or anything else by a gnome!
- * Post your gnome photos on social media at #LOparksgnomes
- * #LOparksgnomes photos go in a contest to win a gnome in Oct!

The 3 Gnomes challenge you to find them as they hide in the park natural areas, but be on the lookout! Blossom, Greenie and Oak MOVE THE 1st OF EACH MONTH to 3 new parks from April to October!

Gneed a Gnome Gnudge to get started on the Gnomes hunt?
Maps of the 3 parks and Gnome hunt clues get posted here, the first of each month, April through October.

You may even discover some interesting info on native plants, wildlife and pollinators tucked into the Gnome hunt clues!

We've heard a rumor there will be one Gnome in each park that may take some extra Gnome Gknowledge to find it! We Gnome you can do it!

See you out in the park natural areas soon!
