Subject: Comments on Proposed Ordinance Change: substandard Lots (LU 15-007/Ordinance 2666)
Attachments: Comments on Proposed Ordinance Change.docx

My comments on this proposed change are attached. This change directly impacts us as the owner of tax lot 21E03DB01701 in First Addition. As explained in my comments, I believe that this change represents a significant case of "taking" from existing owners of small lots and is therefore, an inappropriate change.

Thank-you for your consideration of my comments
