

You are Invited to an Open House Regarding Proposed City of Lake Oswego Development Code Amendments

When: January 14, 2009
6:30 to 8:00 PM
Where: West End Building, 4101 Kruse Way in
the Willamette Room

The open house is being held to explain and describe the proposed code amendments that are intended to update the City's Community Development Code. The amendments are primarily intended for code "housekeeping" but in preliminary review by the Planning Commission, the Commission has determined that the amendments have policy implications. For more information on the proposed amendments please visit the City website:

Click on the **Summary of Policy-Related Housekeeping Amendments** or for a copy of the draft amendments click on **Attachment B**.

The open house is being held now in order to educate citizens about the proposed amendments in advance of a January 26, 2009 public hearing before the Planning Commission.

The January 14 open house will follow the agenda below:

6:30 - Welcoming remarks
6:40 - Presentation
7:00 - Questions and answers
8:00 - Adjournment
