DATE: April 11, 2013

Continuance of Public Hearing

On April 1st, 2013, the Development Review Commission held a public hearing on this tree removal permit appeal. At the conclusion of public testimony, and prior to the Commission's deliberation, the Waluga Neighborhood Association requested an opportunity to present additional evidence or testimony regarding the application per LOC 50.07.003.4.a.xi. The Commission, per LOC 50.07.003.4.f.i, continued the public hearing to April 15th, at which time any person may present additional testimony.

Additional Exhibits

The Waluga Neighborhood Association submitted the following exhibit at the April 1, 2013 public hearing:

Exhibit F-5 A report with information about the trees in the Waluga NA

The following information has been received since the last DRC meeting on April 1:

Exhibit E-5 Video from Waluga NA of the 1995 Wind Storm
Exhibit E-6 Video from Waluga NA of the 1996 Wind Storm
Exhibit G-2 Letter from Waluga NA, dated April 6, 2013
