Debra, I thought it would be useful to place this e-mail before the DRC and into the record. Thanks.

Subject: Stormwater relief

Dear Neighbors,

I wanted to reach out to you to see if we could meet tomorrow morning to discuss stormwater. My Civil Engineer and I will be doing some additional off-site reconnaissance down-stream of our proposed project to review current conditions, or additional measures we could volunteer to partner with the City to help in some way.

We will be on-site at approximately 10:30 am. If this time doesn't work for you, I would urge you to call me to find a time to meet in addition to our investigation tomorrow.
