The Glenmorrie Neighborhood Association invites you to attend our **2nd OVERLAY OPEN HOUSE**
to vote on a neighborhood overlay zone.
Join us for APPETIZERS.
**Wednesday, June 17th, 6:30 - 8:30 p.m.,** Presentation at 6:45
Lake Oswego City Hall (380 A Avenue), Council Chambers

In January of this year the Glenmorrie Neighborhood Plan Implementation Committee presented a number of ideas for plan implementation at the neighborhood’s annual meeting, including new development regulations that would apply to all new development in the neighborhood. A follow-up survey was sent to all residences to gauge the level of support for the proposals. After analyzing the results the committee has narrowed the list of code proposals. A vote will be taken at this meeting to determine which concepts should be presented to the Lake Oswego Planning Commission and City Council for adoption into the City’s Community Development Code. We need a minimum of 20 households to participate.

If you cannot attend the meeting and would like to vote, please contact the Glenmorrie Neighborhood Association at glenmorrie@aol.com. If you have any questions contact Glenmorrie or Neighborhood Planner, Laura Weigel at 503.675.3730 or lweigel@ci.oswego.or.us.

**NEW development code proposed:**
- Require landscaping and buffering
- Remove exceptions to maximum house heights
- Limit the amount of hardscape allowed on parcels
- Protect the “ranch” character on designated streets
- Post building permit notices on-site
- Delay demolition for 10 days after permit is issued
