There are many retailers that you can purchase legal fireworks from in the Lake Oswego area. Buying fireworks from a permitted facility helps ensure you are buying legal and compliant fireworks for use throughout Oregon. Fireworks purchased in one state may not be legal in another state. For more information, including the City’s Fireworks Ordinance, call the Fire Department at 503-635-0275 or visit www.lakeoswego.city/fire/fireworks-safety.

DOGS IN LO
• Not all dogs are happy to meet other dogs or even people and not all people want to meet your dog. A leash-less dog might be friendly, but a leashed dog might not be.
• Unleashed dogs can destroy habitat and harass wildlife in our natural areas.
• Dog waste left in parks, on playgrounds and in natural areas is a hazard to people, other pets and our wildlife.
In Lake Oswego, all dogs that reside in the city must be licensed by the City of Lake Oswego and all dogs must be under the control of the owner any time it is in a public place. Other important rules to remember:
• All dogs must be kept on-leash except in areas designated by signs as "off-leash" and must be under control by owner/keeper at all times on all Park Property.
• Owners or keepers must promptly remove excrement or other solid waste deposited by the animal.
• Dogs are not allowed on Athletic Fields unless authorized by the Parks & Rec Department Director.
The City established off-leash dog areas to provide a safe and enjoyable recreational experience to dog owners/handlers and their dogs while not impacting other park visitors or the environment.
• Two fenced in-off-leash dog parks are located at Hazelia Field at Lauscher Farm, 17800 Stafford Road.
• Four new off-leash dog areas (non-fenced) have been designated at Pilkington Park, West Waluga Park, Southwood I Park, and McNary Park. These new off-leash areas (OLA) are open for a six month trial period (March 15-September 15). For detailed dog laws, please go to www.ci.oswego.or.us/police/dog-safety-and-complaint-reporting-information.

VEGETATION - YOUR RESPONSIBILITIES
Is the vegetation next to the roadway along your property a hazard? It may be if it restricts visibility at an intersection, obstructs the view of a sign, blocks a street light, impedes traffic or pedestrians, or hinders maintenance work.
Lake Oswego City Code requires property owners to keep sidewalks and the public right-of-way adjoining their property free from rocks, leaves, yard clippings, ice, snow and other debris. In addition, property owners must keep sidewalks, streets and the public right-of-way adjoining their property free from projecting or overhanging bushes, brush and limbs that may make the passage of vehicles or pedestrians unsafe.
Branches, leaves and other vegetative growth shall not be allowed to project an elevation of less than 30 inches above the level of the sidewalk and 13.5 feet over a street. If your property is at an intersection, the corner must be kept clear of vegetation over the height of 30 inches for the visibility of vehicles and pedestrians.
For more information, call Traffic Engineer Amanda Owings at 503-635-0274.
